PRESENT YOUR BRAND AT ANGELWELT BERLIN

ANGELWELT BERLIN is Europe's biggest fishing fair, attracting 50,000 visitors and over 200 top brands and exhibitors. It is both a paradise for fishing enthusiasts and a key B2B marketplace for the industry. With renowned angling stars, premium exhibition stands, and strong international presence, it's the ultimate event for the fishing world.

A special highlight is the growing **JDM Area in Hall 6.2a**, showcasing leading Japanese manufacturers. Their presence underscores the increasing relevance of Japanese Domestic Market (JDM) tackle, known for its innovation and high quality, making it a key attraction for both retailers and anglers.

Berlin is the ideal gateway to the European market for Japanese brands. Its central location, strong trade connections, and trend-setting appeal offer direct access to key markets. With a growing demand for high-quality JDM tackle, Berlin provides the perfect platform for expansion in Europe.
